

Packaged Furniture Program

Packaged Furniture Program

*The easiest way to furnish
any environment – anywhere
in the world.*

Whether you're furnishing a room, a floor or a complete building, you only need to make one call: to the GSA National Furniture Center.

We have all the furniture and furnishings to meet your specific needs. Coordinated accessories include carpeting, window coverings, wall art, bedding, mirrors, lamps – even appliances.

From assistance with room design, to final quality control inspection, we can do it all for you in one turnkey package. Or, if you want to order furniture from one specific vendor, we can simplify that, too.

The Packaged Furniture Program was developed to enable our customers to get quality furniture and furnishings when and where they need them, conveniently and economically. Use appropriated and non-appropriated funds for whatever you need, from the world's leading suppliers, at pre-negotiated prices determined to be fair and reasonable.

Orders are delivered when you want, where you want...anywhere in the world!

What you get from the National Furniture Center:

- One-stop shopping
- Competitive pricing to meet any budget
- Flexible shipping time
- Expert advice to ensure the best value for your budget and the right products for your needs
- Access to commercial products, services, and new technology, including GREEN (“recycled”) furniture and furnishings, floor coverings, window coverings, art work, security cabinets, artificial plants, and storage systems
- Contract room designers and product engineers to advise you on ergonomic, comfort, and productivity issues

Guaranteed Competitive Pricing for Quality Furnishings

With the purchasing power of the entire federal government, the NFC gets most favored customer pricing. Discounts are as high as 75% off suggested retail prices.

Already Have a Product or Supplier In Mind?

No problem. Ask the supplier or manufacturer if they have a GSA contract.

If they do, call us: ordering through the NFC is easier than ordering yourself!

If they don't, call us: we are always looking for products and product lines to add to our offerings.

Packaged Room Program

This program was developed in partnership with the military in response to the Defense Department's Quality of Life Initiative, and has been awarded the Vice President's Hammer Award for Common Sense Solutions in Government. This program offers all products and services for Dorms and Barracks, Lounges, Individual Sleeping Quarters, Lobbies and Recreation Rooms.

Lobbies:

First impressions can be lasting ones. Since your lobby is what people see first, and often spend the most time in, you want to make sure their impressions are positive. Our lobby furniture welcomes guests with stylish elegance and then treats them to unmatched comfort.

Recreational Rooms:

Maximum style and value. You just can't find recreational room furniture with more positive impact for so little cost. This package was designed to create an interactive setting. These rooms encourage activity and provide enormous versatility.

Suites:

Make an effective statement. Carry design themes into employee suites to reflect your corporate principles. Crisp, modern designs bring a look of distinction to your busiest areas. You'll love the spacious feel and contemporary elegance that the National Furniture Center offers.

Individual Sleeping Quarters:

Furniture so exquisite you won't want to close your eyes and miss this for a minute! Our sleeping accommodations offer the warmth of wood and the strength of steel. Constructed of high quality, heavy duty wood, you will never grow tired of this classic design! With splendor and durability, our ensembles are designed with quality craftsmanship to look as good as they feel.

Dorms and Barracks:

The perfect finishing touches after a long day. Proudly offering pieces that blend efficient use of space, comfort, and exceptional durability. The beautiful accents and clean contemporary lines in these packages are positively eye-catching and will coordinate perfectly with any military installation.

Lounges and Day Rooms:

Tell your employees how valuable they are! Your lounge is a benefit you give to your employees. Why not make sure it conveys what you know to be true – they are your most valuable assets. Fill it with comfortable, good-looking furniture from the National Furniture Center, and they'll be sure to get the message.

Packaged Office Program

Formed from the success of the Packaged Room, the Packaged Office enables you to furnish, upgrade, or remodel any office space. Offices include, but are not limited to: Training Rooms, Conference Rooms, Executive Offices and Classrooms.

Offices:

You need more than just an office. You need a creative workspace! A place that will fuel all your creative energies. With furniture that still looks executive, but allows you to express your personal tastes. A place that's attractive, simple and natural. The GSA National Furniture Center is your answer!

Conference Rooms:

Conference rooms aren't just for show anymore. In the past, conference rooms were meant to be stately tributes to a corporate image. With the rise of the teamwork approach, conference rooms are seeing much more activity. That is why we offer conference room furnishings designed to reflect the perfect balance of beauty and function.

Classrooms:

You put a lot of thought into the way you do business. And you want your classrooms to reflect that same attention to detail. We have furniture specifically designed to facilitate the most efficient use of a teacher's time and energy in today's ultramodern learning classrooms.

Training Rooms:

GSA's furniture is designed with flexibility to meet the demands of our fast-paced business world. We blend utility, durability, and clean looks into today's computer labs for premium educational settings. Our furniture is built to encompass the details of the modern learning environment, while still maintaining excellent teacher-to-student contact. Make your training centers the best they can be with our cutting edge furnishings.

Packaged Patient Room Program

Designed for the Veterans Administration and military hospitals, the Packaged Healthcare Rooms include: Exam Rooms, Waiting Rooms, Long Term Care Rooms, and Healthcare Offices.

Long Term Care Room:

Enhance the healing environment by providing a homelike atmosphere where patients feel secure, comfortable and well taken care of. These rooms are designed to eliminate intimidating scenery and promote a faster, healthier recovery.

Healthcare Exam Room:

This is the perfect balance between beauty and function. Designed to bring a warm, relaxed atmosphere to patients, while meeting the rigorous demands of today's patient room. This package is perfect for any clinical environment.

Healthcare Waiting Room:

Elegant but practical styling creates a warm, inviting appearance. A relaxed atmosphere that will spread beyond the waiting room and throughout the entire facility. Limitless designs and configurations ensure that this package will meet any facility requirement.

Healthcare Office:

Work in style and comfort. The healthcare office offers a functional workspace without loss of elegance. Each office is designed to meet original and specific office requirements.
